Errors and Omissions

At Air Technology Solutions, we work hard to offer you the most competitive pricing and accurate product information. Because of the dynamic nature of this industry (e.g. vendor price changes and other variables beyond our control), prices, promotions, versions and availability advertised are subject to change without prior notice. All images are for illustrative purposes only. Actual product may differ. Please be assured of our every effort to ensure the accuracy of information; however, the documents and graphics published may contain technical inaccuracies or typographical errors. Air Technology Solutions makes no representations about the suitability of this information; it is provided "as is" without warranty of any kind. If an error is made or a product is listed at an incorrect price, Air Technology Solutions shall maintain the right to refuse or cancel any orders placed. If the order has been confirmed and charged to your account or credit card, Air Technology Solutions shall immediately issue a credit or refund.

Limitation of Liability

Air Technology Solutions shall under no circumstances, except where the consumer guarantees apply, be liable for special, incidental, or consequential damages including loss of profit or opportunity, even if it has been advised of the possibility of such damages; the maximum liability for all direct damages, if any, arising out of any action shall be limited to an amount not to exceed the purchase price of the product.

Governing Law

All sales shall be deemed made in the state of VIC, regardless of the location of the Customer. The Customer agrees that any dispute with Air Technology Solutions shall be governed by the VIC law and the Customer irrevocably submits to the exclusive jurisdiction of VIC courts and courts hearing appeals from those courts.

Order Cancellation Policy

If you would like to cancel a backorder simply use our online form or notify us on 1300 000 001. Other than "special orders" (an order where goods ordered are especially ordered to meet specific to customer requirements or cannot be refunded by Air Technology Solutions to its supplier), an order may be cancelled before it has left our warehouse with no cancellation fee. If the order has left our warehouse, a fee may apply to cover courier and restocking costs.
